

CITY HALL, CITY OF ARLINGTON, SOUTH DAKOTA

September 5, 2017

The City Council met as the Zoning Commission—Board of Adjustment. Present on Roll Call were Mayor Amiel Redfish and Council Members: Curt Lundquist, Garth Johnson, Jesse Steffensen and Rob Achterberg. Absent: Terry Rowbotham and Jared Steffensen.

Ryan Steff, Mobilitie, submitted a special exception permit request to place a 75 ft steel utility pole for enhanced wireless data services in the Right-of-Way near the intersection of Birch Street and Ball Park Road. The reason for the variance is that the 75 ft pole is over the maximum height allowed by city ordinance. Publication was done and letters were sent out and no responses were received at the finance office.

Motion was made by Johnson, seconded by Achterberg to approve the variance as presented for the 75 ft utility pole. All in favor—Carried.

Motion to adjourn the Zoning Commission was made by Jesse Steffensen, seconded by Lundquist. All in favor—Carried.
