

CITY HALL, CITY OF ARLINGTON, SOUTH DAKOTA

August 19, 2019

The City Council met in special session pursuant to notice as required by law. Present on Roll Call were Mayor Amiel Redfish and Council Members: Curt Lundquist, Terry Rowbotham, Garth Johnson and Cory Falconer. Absent: Jesse Steffensen and Rob Achterberg.

The purpose of this meeting was to review and approve a special events malt beverage license for the American Legion and discuss Prairie Ag Partners corn pile/pit.

A request was received from the American Legion to apply for a special events malt beverage license for August 31, 2019.

Now was the time for the hearing on the Special One (1) day Malt Beverage application for the Edgar L. Herrick Post #42 American Legion—Lot 3, Block 3, Original Plat, City of Arlington, SD Special One (1) Day-Malt Beverage License for August 31, 2019 as advertised on August 7, 2019.

Motion was made by Rowbotham, seconded by Johnson to approve this special license. All in favor—Carried.

There was a discussion concerning Prairie Ag Partners corn pile and pit. The pile is basically gone and now they are wondering how to handle the pit. They have submitted a water sample to the State of South Dakota for testing before any further action is taken. The council did not take any action at this time—waiting for the results of the water test. However, it was the feeling of the council that the pit will need to be cleaned out more than the two feet that had been suggested and then fill with clay. The matter was tabled until the September council meeting.

Motion to adjourn was made by Lundquist, seconded by Falconer. All in favor—Carried.
